A STRANGE EXPERIENCE ADVISED OF HIS MOTHER'S DEATH. knowledge of the gentleman by whom the THE Gorman steamer

The Auburn Advertiser publishes the follow ine statement, with the remark that from its account is given, it is prepared to give entire Some weeks ago a prominent citizen of Auburn was in the city of Chicago transacting for the above Port, TO-DAY, the 25th inst. business connected with his manufacture in at 10 A.M. this place. One evening, ofter an active day's work, feeling somewhat fatigued, he retired to his room at the botel a little earlier than usual. and made his customery arrangements for the night, but just as he had composed himself for eleop, he experienced a singular sensation, and THE P. & O. S. N. Co.'s steamship heard a voice, apparently very near, and as plainly and distinctly as though it issued from the throat at a human being, pronounce the will leave for the above places TO-DAY; the words, "Your mother died to-day!" and with the 28th instant, at 4 ?. N. words came an assumince that the numounce. ment was indeed too true to doubt it. He upose in the morning after having passed a sleepless night, and made immediate preparation for a journey home. As he started for the depet, he ! met a boy with a telegraph despatch in his hand, and calling him to his side, he asked if the message was not for him-giving his nameand sure enough it was from his family. confirming the truth of the anonucement of the day previous at Anburn. He had received no intimation but that she was enjoying her isual bealth, nor had there been anything to excite in the slightest degree his apprehension for har enfoly, until the occurrence of the incident

CANADIAN INDEPENDENCE

(Montreal News.) We regard the anti-colonial policy of the Glad atone Cubinot as suicidal, but we cannot shut our eyes to the fact that a large number of our FOR SWATOW, AMOY, AND FOOCHOW. people are becoming converts to the views of the | ILINE Stenmahip bancellor of the Exchequer-that separation looms up in the distance. Earl Granville's let. er to the Governor-General, expressing bis | Capt. Pitman, will have immediate disputch for high mitisfaction with Sir A. T. Galt's Canadian | the above ports. solitical croed, lends the expetion of Imperial | inthority to those who desire a new national life. The word disloyal has no longer any signification in connection with royal supremacy; scatiment and pochy, ancient forms of thought and hallowed traditions, even the enerifices of the United Empire Loyalists, encounter question is to be tested in future by the solvent of self-interest; and unfortunately for those who belong to the old school, the Gladstone P. & O. S. N. Co.'s Office, Ministry contumned a majority which enables them to pursue their policy of dismemberment without uteck.

(Toronio Telegraph.) But Lord Monck-feels as may be his arguments-is no doubt the ornolo of the pawnbroking Administration now governing the affairs of England. We are to be out addift.

They are tired of us. The dominant majority in England would, if they dared, trade us off ARNHOLD, KARBERG & Co. to merrow, as Denmark sold St. Thomas; as the negro emperors of the West Indies propose to trade off San Domingo, or whatever THE American ship else they own; and as Russia has traded off Alaska. It is a policy which simply botoken Imperial doosy.

It is stated that a letter of a misobievous nature, containing some fulminating componed was sent to Lord Strathunicu lately lay for some time without being opened, and got damp, so that no explasion was produced by the act of breaking it open. A drunken captain, who met a private in his company in the same condition, ordered him to position and talk with severity, exclaimed:—
"Private Smith, I'li give you till (hie) to clock
to glasober in," "Oap'n," replied the soldier, " na you're a ass a sight drunker niam, I'll give you titl (bic) 5 o'clock to gissober in." It is a nuisance that the engineers who direct the blowing up of nunkeu ships in the river, do not give the public some notice of their inten. will have quick dispatch for the above port. tion, and save editors from reading letters on earthquakes and inserting paragraphs about undulation, sibratory motions, &c. when upon some audden fitful impulse, it is Luxury of Women as a sort of challenge, and resolved to convert a parched desert into a a good many of them presched against the Hansmann !- Englishman.

puthless quaguire. Oh, for one hour of Baron feminine extravigance of the age. One pulpit AN IMITATION EMPEROR World has discovered the real secret of the the blade of Ministry and succession of political i reforms in France. It seemed strange no They treat a homily against fine clothes as a ry suddenly and readily to the demands of the sort of "bent extende" and advertisement of I Liberal party; but the correspondent of the if World knows the reason. The Emperor has between the shapherds and the lambs of the ave specimiled, it is true, but to a more potent he spemy than either Left or Left Centre. The re lart is he has been dead for several months. ex. He sank on the 8th of September, under the The writer of the Religious Summary of New goe knift of the corpean Ricard. The exact day the correspondent admits to be in some doubt, the demise was kept accret; before he expired any in conclusion that we almost, when it is too res at the Emperor's own suggestion that his yor be received "a promise from England, and Sanday in New York. What if the fatire nere it is believed from Hussis, that they Sanday in New York. What if the satire med would aid in maintaining the Prince on the should prove an inducement and the beacon be ever Throne." The popular excitement which then taken for an attraction?. We may yet live to e, of achounce what had happened; Ministers and compiler of the Court Circular and the reportconfidential servants were "squared" by the 75 I same inclegant carriage, almost as tall, wearing bers family resemblance between the walker the terrice and the Emperor as

are Empress, who promised them great rewards; we are informed that "ex-Henith Commisheir and to deceive the public an imitation Emperor was provided. The correspondent has examined this substitute through an opera glass as he this substitute through an opera glass as he walked in the public gardens. "He wan of the 1 high-hooled boots, somewhat hent, and short in ring the legs, having the same cold, leiden face, eyes Church of the Strangers we should have and inoustache wated a f Emperour. That not was been glad of some information about the vent bare he doubt, but there was a strong particulound striped brick "church edifice so of is of the Emperor's Lucily, though not of the the dresses and devotions of the Sunday visitors ome line of amerecion." It was this show monarch to the Belgravian churches will be as fully am who addressed the Legislative Body, received reported in the London newspapers as the victims of those much duller entert iments. tual the diplomatiate on New Year's Day (this time. blic however, not without detection), and has since Belgrarian receptions. t in appeared in public with the Empress and aght Prince Imperial. We agree with the writer. We learn from the Academy that a French that, that it is strange such an imposture should translation of a Japanese treatise on the aps, never have been mentioned by the French press; rearing of silkworms has been published by r | but, as every one who knows Paris can tell, it | M. Leon de Romy, Professor of Oriental Lanmy in is the salon, and not in the uncongenial or | guages at the Imperial College. This is the do. dangerous columns of the newspaper, that first Japanese work that has been rendered into such matters are discussed." Perhaps for French. Its publication has been ordered by solow we should read cohard, -Pall Mall Gazette, the Minister of Agriculture.

EXCELLENT!-THE DOSE WORKS! A nigger calet is to enter West Point | exthis cruelty was a person called a Paramat, claims the N. Y. Day Book. His name is

a poor man is cut off, by the cruel death of the Presidential levees, jun your orderous the cross, for repullating the poonghyeez, the selves into any public gathering where the idole, and the whole system. This wicked act white man participates, and show the world that of potting a man to death for his religious "cullud pussons" and white trash are now on a opinion, will fall down the execration of all pur. Only do this, claim, and valiantly claw, civilized nations. In the cause of humanity, for "equality," and this Mangrel problem the British Government will surely notice this will soon be worked out. It is quite possible case, by informing the King and Court of that we shall see, ere ten years roll over, the with His Majesty, the Quean and the whole skinned Caucisian, while in the distance stand British nation will consider such an not as groups of flaxed-haired blondes of the gentler iex, and mixed up with them the flat world. kinky-wooled " cullud" ladies, all viewing with delight the evolutions of the mottled bulwarks of the nation on that beautiful green award. What a picture is there, my countrymen!

> (San Francisco Ezaminer, Mrs. Muttle Fields is delivering lootitres are seeking to defile the inner sanctuary of all that is beautiful and attrictive in our social organization. We wish woman to rule, but by the charming and attractive persussions of her nature, and not by the almormal and coarse

implements of primary elections and party In all our circle of lady acquaintances we in all that is good and sunobling, their away physically, to fight the battles of the country.

to relieving the authorings of the needy and afflicted, and they will merit and receive a thousand fold more praise and admiration than they would for years of toil in the unprofitable vineyard of politics.

DRESSING FOR CHURCH. (Saturday Review, March 25.) If the knowledge of the New York reporters ligited on religious mattern, as in one case where we are informed that the sermon was on the text." Charity never fadeth," and in another where a verse new to the Authorised Version. is quoted, "Thou dillet not lead thy Holy One In this best of all possible worlds the best of to see corruption," the penny-alliners are quite all possible cities, as everybody knows, is Cal- at home in their pictorial and personal estimate cutta. In no other great city among civilised of New York church-going. The column which, peoples enjoying the itelfable blessing of in the New York Herald, tumediately follows Municipal fustitutions, is it possible, within the the Religious Summary is filled with an account short space of half an hour, to famely oneself in ... the "receptions and halfs last week." "The the Desert of Sabara, and in the midst of an one column rouls exactly like the other, and Iriah log. There are streets in which Professor | or dently proceeds from the same pen. At the Tendall might experimentalise," from more to White House we are told that the President's noun, from noun to dewy era," on the properties wife " core a robe of ruby velvet, with her of dust, without the slightest fear of interruption portly shoulders subdued under a fiche of point from water cartair libeasties. There are streets, d'Alencon," and that Mrs. Hamilton Fish "ware ten, in which thousands of happy, if splashy, delicate manye satin." At the churches the children may wile away the shinling hours in the reporters are equally and in every series at manufacture of dirt pies. For a gens togata the home. At Grico Church the "costumes of alternative must be truly delightful. Nothing is velvet and place jackets in brown and black so preservative as dry sand, nothing so cleansing | were numerous." "Rich and heavy velvets and no water. Lot a man walk only once round flashing diamonds" are noticed at one church, Square anytime between ten in the while at another we are favoured with a p morning and six in the afternoon, and he may constint reduction to "a young lady of nineteen. sufely assume that he will remain for ever in as perfect a state of preservation as were the Bulls of Ninevell. Possibly, however, a walk through of Ninevell. Possibly, however, a walk through the aplendour of his show white drapery, but at least be would have the consolation of reflecting that the mult upon his germents in the longer result yet attained by the expenditude of the relection of the city, and it make For and Mrs. Fry turn in their grares when told of the velvet and silks. ture of so many lakes of rupees upon the sating and iris plumes of the doves. But they Water Supply of the Indian capital. It is a one run hard by the sable belies. In Zion great thing to be governed by a Municipality Coloured Church we find that "congregation is characterized by such breakth of views, such decidedly, well-dressed, and that it subduced harmony of counsels, such collective window quietness prevails, which gave a very elegant and forethought, and vigor of execution, and. tout encounter, while deep purples and black withal such gentleness and amenity of express velvets show to advantage a dark skin and gion, as is that worshipful body of Justices who pennly teeth, and that the costumes are height-have endowed Calcutta with sewers that — so ened by diamond pins and enr-drops." To do they may -don't corry away the seweringe, and them justice, the votious pastors seem to fucl with waterpipes that don't supply water, except | what the Bishop of Orleans calls the Unbridled

mator quoted some verses new to its :--What is the reason, can you guess, That men are noor and women thinner i So much do they for dinner dress. That nothing's left to dress the dinner. But, judging from our own experience, the women rather like these pastoral objurgations. their own and their milliners' taste. We are flock, and that the ladies do not consider the pulpit reproof rather in the light of a testimonial of their good taste and skill in fashion. York says that there were only two oristocratic churches in which the aubicet of female dress was not toucked on in the pulpit. We can only prevailed in France rendered it dangerous to see a new Pielas Londiniensis edited by the in New York commonly known as the Church of the Holy Zebra -we are not without serious

A STRANGE EXPERIENCE. Vessels on the Berth. ADVISED OF HIS MOTHER'S DEATH.

The Auburn Advertiser publishes the following statement, with the remark that from its knowledge of the gentleman by whom the THE German steamer account is given, it is prepared to give entire eredit to it :---Some weeke ago a prominent citizen of Auburn was in the city of Chicago transacting for the above Port, TO:DAY, the 28th inst., business connected with his manufacture in at 10 A.M. this place. One evening, after an active day's work, feeling somewhat fatigued, he retired to his room at the hotel a little earlier than usual. and made his customary arrangements for the sleep, he experienced a singular sensation, and THE P. & O. S. N. Co.'s steamship the throat of a human being, pronounce the will leave for the above places TO-DAY, the words, "Your mather died to-day!" and with the 28th instant, at 4 P.M.

night, but just as he had composed himself for beard a voice, apparently very near, and as plainly and distinctly as though it issued from words came an ussurance that the announce. W. MACAULA? ment was indeed too true to doubt it. He prose P. & O. S. N. Co.'s Office, in the morning after having passed a sleepless hight, and made immediate preparation for a journey home. As he started for the depot, he met a boy with a telegraph despatch in his hand, meta boy with a telegraph despatch of the and calling him to his side, he asked if the message was not for him—giving his name—and sure enough it was from his family. DAY, the 28th instant, at 4 p.m. confirming the truth of the anouncement of the imseen informant, that his mother had died the day previous at Anbura. He had received no intimation but that she was enjoying her usual health, nor had there been saything to excite in the slightest degree his apprehension for her THE Steamer safety, until the occurrence of the incident

CANADIAN INDEPENDENCE (Montreul Neins.) Weregard the anti-colonial policy of the Gladstone Osbinot as evicidal, but we cannot shut our eyes to the fact that a large number of our FOR SWATOW, AMOY, AND FOOCHOW people are becoming converts to the views of the CHE Steamship Obencellor of the Exchequar—that separation looms up in the distance. Earl Granville's letter to the Governor General, expressing his Capt. Pitman, will have immediate disputch for high satisfaction with Sir A. T. Galt's tlansdian the above ports. political crave, lands the sanction of Imperial authority to those who desire a new national life. The word disloyal like no longer any signification in connection with royal suprethought and hallowed traditions, even the sacrihe United Empire Loyalists, choose the jests of the new school of progress. Every will leave for the above place about 24 hours question is to be tested in future by the solvent of self-interest; and unfortunately for those who belong to the old school, the Gladstone

Ministry command a majority which enables them to pursue their policy of dismemberment without check, Toronto Telegraph.) But Lord Monck-feeble as may bo his arguments—is no doubt the oracle of the pawn-hacking Administration now governing the will have immediate disputch for the above affairs of England. We are to be out adrift, port. They are tired of us. The dominant majority in England would, if they dared, trade us off to-morrow, as Denmark sold St. Thomas, as the neuro emperors of the West Indies pronose to trade off san Domingo, or whatever MHE American ship electhey own; and as Russia has traded off Alaska. It is a policy which simply betoken muerial sordiduess, and which foreshadows | Captain Barrett, will have quick dispatch for

It is stated that a letter of a mischievou unture, containing same fulminating compound was sent to Lord Strathnairn lutely lay for some time without being opened, and FILE Spanish Darque ot damp, so that no explosion was produced t thought of breaking it open. company in the same condition, ordered him to "halt." and endeavouring to assume a firm position and talk with severity, exclaimed :-Private Smith, I'll give you till (hie) 4 o'alook o gissober in," "('ap'n," replied the soldier, | ---" as you've a sas s sight drunker niam, I'll give | von till (bio) i o'clock to glasoner in." It is a nateance that the engineers who direct the blowing up of subken ships in the river, do not give the public some notice of their inten. will have quick dispatch for the above port. tion, and save editors from reading letters on earthquakes and inserting paragraphs about anotherion, vibratory motions, &c. A contemporary and ourselves reported an earthquake FOR SAN F rienced a very distinct shock," but were unable o determine the direction of the Madulations. This is not to be wondered at, as the curthquake | Capt. Cuppingham, will have dispatch for in question turns out to have been merely an above port attempt of the Marine authorities to blow up

the wreck of the Govindpore.—Daily Examiner A buce proceedile, apparently about 20 feet in length, made its appearance in the Pondi-cherry roads on Tuesday last, where it still remains exciting no small astonishment among the inhabitants of the town, who congregate in large numbers on the beach and the pier to watch its movements. The scaly monster paddles about on the surface of the water, between the ships and the beach, unmistakeably quite at sea us to its own whereabouts. It is supposed to have been drawn by the current from the mouth of some river in the neighbourhood, but no animal of such a forecious size has been beard of in the district before. The catamiran men and masulah hoatmen keep at a respectful distance from the visitor, and although it has frequently been fired at, the shots seem to have no effect on the creature beyond making him dive under water for a short time. Should the crocodile come in contact with a shork in its craise, there will doubtless be a terrific combat between the rival powers. - Mistras Mail, March 10.

COMMERCIAL INTELLIGENCE. Hongrong, MAY 27th, Evening, There has been no change in the drug market. The following are the ruling prices, with more nellers than buyers .- New Patnik, \$4971 to 4500 | New Bonares, \$4711 to \$4724; Malwa, \$630 to \$635, each and credit; Patha, 5th sales uh 3 weeks' time, \$495. In Raw Cotton, sales reported are: 250 bales Bombay at \$23.00 per picul, 100 bales Bombay at \$22.00 per picul, 65 bales Madras at \$23.00 per picul; total 415 bales. There are no sales to report in piece goods, in consequence of the uncertainty as to what cargo may be salved from the Dunmail. The market is ontirely upset from this cause, and should any large quantity of goods be raised in a moderate state of preservation, it will be further unsettled by the auction sales that

Hongkong, 22ud April, 1870. LETTERS, &c., ADDRESSED "LONDON" Many persons are in the habit of addressing Letters, &c., for well-known Firms and Judividuals, to " London " only; but this practice not unfrequently occasions delay in such Letters &c. reaching their rightful owners. In all, cases, however well the Firm or Individual for whom a letter is intended may be known, it is most essential, to ensure its correct and prompt delivery, that the streets in which they reside, and the number of the house, should form a part of the address. N.W. MITCHELL

General Post Office. Hougkong, 31st January, 1870.

It is hereby notified for general information, that under the Provisions of a Treasury Warrant which will come into operation on the lat October next, correspondence addressed to Constantinople will be forwarded at the following reduced Rates of Postage, which must be paid in advance, viz. — For Letters:

20 cents each half-an-ounce weight. FOR NEWSPAPERS, PACKETS OF PATTERNS, AND BOOKS! 2 cents each two ounces up to halfpound, and 8 cente every additional half-pound. F. W. MITCHELL

Postmaster General. Hongkong, 23rd September, 1869,

When forwarded via Brindian 42 cents each When forwarded via Marseilles, 36 conts each

When forwarded via Southampton, 28 cents Prepayment of the postage is compulsory. Postmaster General, General Post Uffice Hongkong, 14th February, 1870.

It is hereby notified for general information, that the rates of postage (which must be paid Nova Scotia, and New Brunswick, will hence-When forwarded vill Marseilles, S6 conts each

When forwarded via Southampion, 28 cents F. W. MITCHELL oneral Post Office, Hougkong, 28th February, 1870

It is hereby notified for general information that, under the provisions of a Treasury Warrant dated the 7th December last, the scale of Progression of Weight having balt-an-ounce for unit, has been extended to all Letters orwarded between this Office and any of the Ports in Ohina and Jupan, and to letters addressed to Manila, Batavia, Saigon, Pondicherry, Bangkok, Labuan, Singapore, Penang, Malucoa, Ceylon, India, Suez, Melta and the forian Islands, Gibraltar, and Spain and Portugal via Gibraltar. The rates of postage chargeable in future on Letters addressed to these places will, therefore,

advance by a single rate of postage for each General Post Office, Hongkong, 14th February, 1870.

It is hereby notified for general information, y order of His Excellency SIR RICHARD GRAVES MACDONNELL, that the system of registration has been, from this date, extended denge transmitted by the Post, in the Mails by

up to half an hour before the time fixed for closing the Mails.

Hongkong, 13th October, 1669. It is hereby notified that henceforward the York and Europe via Panama route, and to rates of postage which must be paid in advance, Europe via Aspinwall Lines, to Ports of Mexical Chargeable on Packets of printed papers or co, and ports on the West Coast of Central America, and South America to us far as Valparaiso.

Coargeacte on Lactes of printed papers of patterns of light weight sent from Hongkong to the United Kingdom by the United States Packets via San Francisco, will be as follows,

For a packet not exceeding I ownce in weight and annuagement 2 cents. For a packet above I ounce not exceeding 2 ounces...... For a packet above 2 ounces not excceding 4 ounces...... 8

and eight cents for every additional four ounces. For further information as to Passage or Lists, Market Reports, and all printed papers Postmuster General.
